Health Reimbursement Account (HRA/Section 105) – Expense Claim Form

How to file a claim:

1. Complete all sections of the claim form
2. Make sure the claim form does not include items for more than one Plan Year. Please use separate forms for items incurred in different Plan Years.
3. Support documentation is required. Examples of supporting documentation are Explanations of Benefits, Itemized statements from providers, pharmacy receipts, etc. Do not submit cancelled checks or credit card receipts alone – these are **not** adequate.

Total Expenses			\$

I certify that any expenses for which I am requesting reimbursement from my HRA, as itemized above, were incurred by me (and/or my spouse and/or eligible dependents) for medical care as permitted by the HRA, and have not been reimbursed and I will not seek reimbursement under any other plan. I understand that expenses reimbursed through the HRA program cannot be used to claim any federal income tax deduction or credit. To the best of my knowledge and belief, my statements are complete and true.
